Acting Chief, Storage & Issue Section

Furniture Repair Shop's Monthly Report

In accordance with instructions from the Acting Chief, Supply Branch, dated 6 December 1919, the following information will be submitted in all future monthly reports regarding the Furniture Repair Shop in list of the information previously required.

A. Service Calls

B. Shop Repairs

C. Estimated Dollar Value of Work

In order that such information may be accurately compiled, the Cabinetnaker will be required to maintain a monthly mork sheet indicating his labor and approximate cost of parts required for all work performed on each stock itam. To obtain the same information for service calls, the Road, Office Supplies and Equipment Unit, will issue Form 36-21, Request for Pickup and Delivery, on each service call received, on which the Cabinetmaker will indicate the amount of labor required and the approximate cost of the parts required.
